VOLUME 17

dedicated to DAN

"And Moses said unto the children of Israel, 'See, the Lord hath called by name Bezaleel...filled him with the Spirit of God, in wisdom...in all manner of workmanship...And in Aholiab...them hath He filled with wisdom of heart...Then wrought Bezaleel and Aholiab, and every wise hearted man in whom the Lord put wisdom and understanding to know how to work...for the service of the sanctuary.'"
(Exodus 35 & 36)

Just so in 1969 God called DAN LARKIN to Elim as Maintenance Supervisor, to take charge of Elim's burgeoning construction program. With no prior training in construction, but endowed with the Spirit of wisdom and an endless supply of patience, Dan stepped under the heavy load previously carried by his brother David. Surrounded by his team of "wise hearted men" and assisted by his brother in consultation, Dan has steered Elim successfully through two major construction projects - the Ivan Spencer Tabernacle which houses classrooms, dormitory and large auditorium; and an eighteen-apartment building, the second of a three-building a-

LARKIN

partment complex. These two projects are valued at one-half million dollars.

It was twenty years ago, in the crowded school Chapel, that Dan stepped forward to receive his Elim diploma, then went forth with his wife Nancy to serve the Lord in pioneer church work. Dan never lost his vision of preaching the Gospel, though answering the call to serve God with his hands. Over the years the Spirit's maturing processes have produced a man who not only can wield a hammer and read a blueprint, but can serve God with zeal and wisdom as teacher, preacher, counselor and elder in the Elim Gospel Church on campus.

But Dan would be the first to say that he owes much to the support and cooperation of the maintenance crew, many of whom also minister the Gospel while serving most capably as twentieth century "Aholiabs."

To you, DAN LARKIN, for your faithful service since coming to Elim in 1969 as Maintenance Supervisor, we dedicate this year's edition of the OASIS.

STUDENT LIFE

A DAY FOR RECREATION

What is it about the Elim school picnic that makes one feel so close to God?

Six students jam into a car, faces pressed against every window in a vain attempt to miss nothing of the scenery flying by. There is laughing, singing, praising, telling stories of old adventures and new hopes; all are filled with expectation of the picnic. What a release finally to reach the park and burst from the crowded cars into the freedom of the park! The trees are a giant garden of dazzling autumn colors and the heart fills with adventure and the urge to explore.

Arriving at the pavilion, we pile out to join in the games. A group of couples stray off for a gorge side chat. A water balloon version of toss-and-catch suddenly gets interrupted with a yell, "Time to eat!" It surely sounds good after all that hard play. Full plates empty fast, then refill, while long tables join friends in excited sharing of the day's events.

We flop heavily onto the grass and think of how good it all feels. The autumn beauty of God's creation overwhelms us and our hearts cry for some means to express our thankfulness to God. Then someone starts a chorus and our informal worship service begins.

A brilliant sunset streaks red and orange across the purpling sky, reminding us of the close of day. We pile back into our cars - six students jam into a car - but things are different now. We are closer to each other, and to the One who brought us together. Jesus is Lord, and we can all feel it.

Perhaps HE is the reason why we feel so close to God at the Elim School picnic.

WHERE DO ELIM STUDENTS MEET?

Wherever the food is! And the lunch line provides one of the best places for mingling with neighbors. During the sometimes long wait, chatting students discuss events of the day, punctuating their comments with easy gestures. While some meet new people, a certain few display their diligence by reviewing Greek conjugations or memory verses.

There are also those busy guys and gals with work duties during mealtimes. They manage to keep smiling no matter how high the dishes pile up! It's a rare day when a cheerful hello doesn't come from the dishroom.

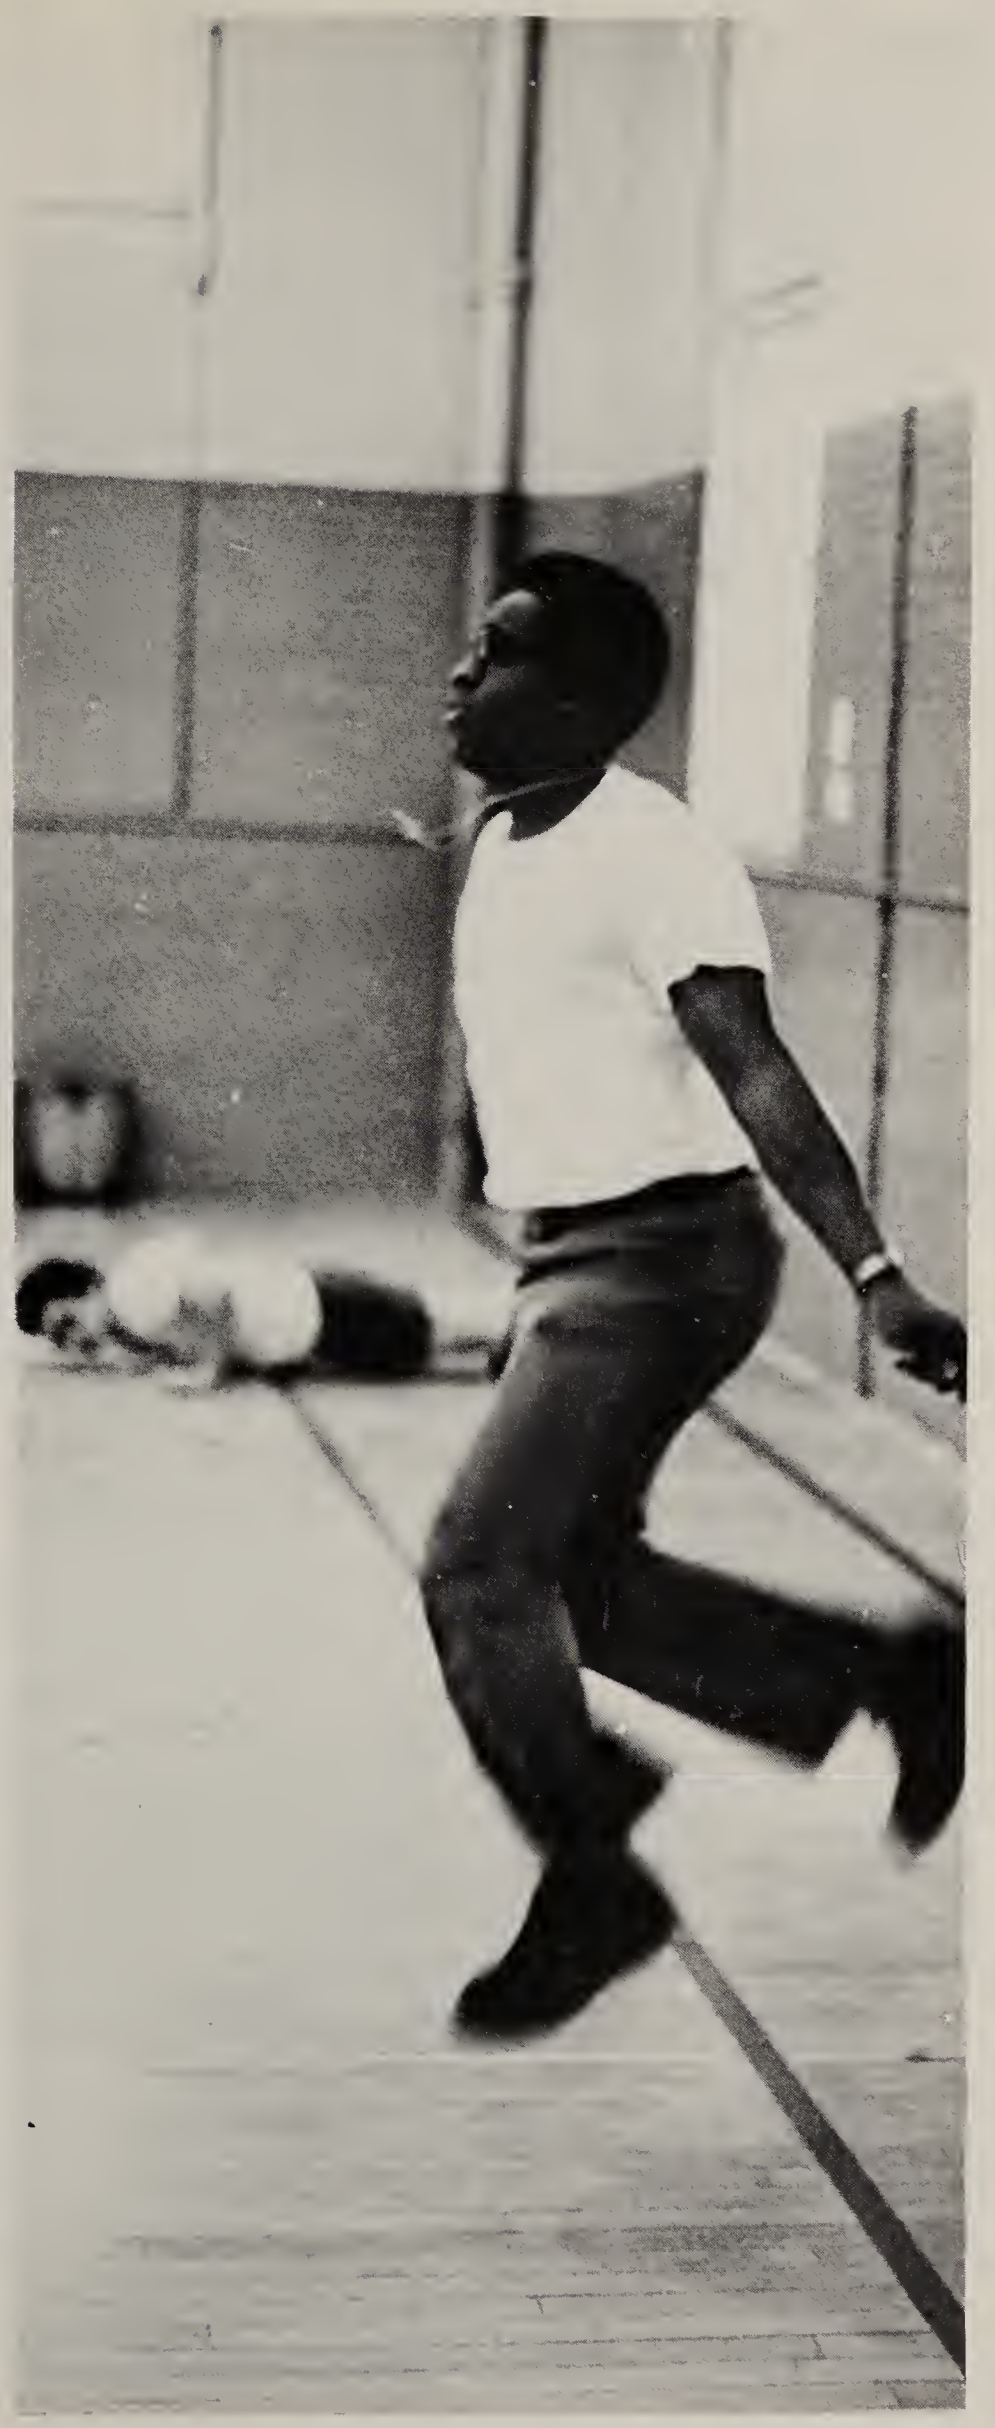
Orders of french fries and popcorn greet students gathering at Elim's Snack Bar. After purchasing their tasty treats, small clusters exchange laughter and share serious conversations over cokes, milkshakes and the ever-popular Elimburger! It's a good time to "let your hair down" and enjoy the presence of friends.

EXERCISED UNTO GODLINESS

2 Timothy 2:15 - "Be diligent to present yourself approved to God." Somehow, our Lord manages to put within us the desire to learn here at Elim. The library in College Hall fills with students engrossed in learning more of God and His ways. We labor through reference materials and the librarian often helps with her suggestions. The Spirit of the Lord broods over us as we work to finish the last term paper, meanwhile struggling within to create an atmosphere of rest in the midst of our haste; peace in the midst of chaos.

What fun when all of us - big and small join in a rousing game of volleyball or just struggle through calisthenic exercises! Togetherness in play, as in worship, becomes part of that "Body ministry" we learn here at Elim. There is just something about seeing that stately, spiritual brother or sister give their all in trying to shoot a basket or bat a ball. His spirituality comes into reach with that human touch and together we learn that Christ is for the whole man. To sum up, we combine all that we're learning with well-exercised bodies and begin to put our knowledge into practice.

We learn to test our love for one another every day, as we wait patiently for the shower, or sweep the floor for the twentieth time while our roommate enjoys a good book on the top bunk. Getting to know one another, to share our problems and triumphs, is the most rewarding part of it all, because God is manifested in this ever-growing love for our new Elim family.



"...singing and making melody in your heart TO THE LORD."

"Go ye into all the world..."

"And He said unto them, Go ye into all the world, and preach the gospel to every creature." Mark 16:15

The Word of God I have received in this Bible College will help me to stand against the wiles of the devil. I thank the Lord for what He has done for me while I have been here. The first thing I have learned is to depend on Jesus Christ in all conditions. The second thing is to wait upon the Lord. The third thing is to seek the Lord with my whole heart. The fourth thing is to repent all the time and the fifth thing is to pray all the time. These are some of the many things I have learned while I am in this school. *Jeremiah Odhiambo*
Kaimosi Bible College

The Lord is teaching me many things to prepare me for my future ministry. One thing I learned is to be obedient to Him. I learned that I needed Jesus Christ in a deeper way. Also I discovered that being a preacher is not just standing before people and throwing scriptures. My request is that the Lord may anoint my ministry.

Francis Bushebi
Kaimosi Bible College

First of all I must take the chance of saying "Praise the Lord." Me personally I must thank the Lord Jesus Christ for my life. I know the Bible says, "All have sinned and have gone short of the glory of God," but because God loves me so much, He sent His only Son to die for my sins so that I could be again able to talk with God. I had done the worst of all sins, but thank God that I am saved. I never knew my red sins could be washed and become as white as snow. The Lord picked me from a family where evil spirits are worshipped. But thank God, for he says, "You will be saved and the household." So now the Lord is raising the family to a proper worship. Praise God that at this time I need nothing, being blessed from above. Although temptations come, the Lord says, "I am with you always," and He will never fail nor forsake me. God bless you all as you read this testimony, for the Bible says "They defeated the devil by their testimonies."

(Excerpts from letters written by Germany-based Chester and Mary Gretz)

No room for Him in the inn and nowhere to lay His head. Such was Christ's introduction to this earth. Though centuries have passed, this still is true today. He is banned from political systems including Eastern Europe's. He has also been banned from their educational system. The press makes mention of Him only in a derogatory sense as it derides and mocks those who profess to believe in Him. Even cathedrals once filled with worshippers now are museums and anti-religious theaters. In those that remain, one can hardly find Him in the formalities of religion.

Yet there are those who receive Him. Meeting secretly outdoors or in homes, or openly in halls and old church buildings, these continue to let their lights shine in a dark world and are willing, if needs be, to suffer for Christ. What a privilege to meet with such and to work with them in spreading the good news that the Savior has come! We have seen more people confess Christ as personal Savior and others edified by the Word of God than in any previous year.

In one country in spite of the strict controls, we found a strong growing church. My heart was stirred as church leaders shared their burdens and needs. Although they could not permit me to speak in their churches, I was able to share God's Word with groups and individuals in many places.

In a house meeting in another country, there were 40 people gathered on a Sunday morning. Seven stood in response to an invitation to receive Christ. The kindness of church leaders and congregations is overwhelming. In an evening service we both sang and I preached in Polish, while the Pastor interpreted into the local tongue. At the close of the service, we were deeply moved as the congregation waved their handkerchiefs and sang, "God be with you 'till we meet again."

POLISH TESTIMONY: *"If I had the choice to make between your country, America, with all of its materialistic blessings yet not so much interest in the spiritual life, and my country, Poland, where we have fewer material possessions yet a deep hunger for God's Word...I would still choose my country. A deep hunger for God's Word means more to me than your freedom or materialistic blessings."*

(Letters printed in the Elim Pentecostal Herald, 1935-'45, written by pioneer missionaries, Roy and Theresa Hill)

Sept. '35 - Kisumu - Kenya: "Here we are settled in our four-room house - we have made our home look a bit decent. Our two trunks covered with cotton cloth serve as seats, two egg crates provide a cupboard for dishes. Dec. '35 - In a prayer meeting Thursday, ten received old-time salvation. What floods of tears and they were shaking under the power of God. Among the believers here are former cannibals! Aug. '36 - About a month ago in the Wednesday meeting the power of God struck like a thunderbolt and several were knocked off their seats. One woman was baptized in the Holy Ghost and spoke in clear English. She began with praises to God and then spoke about the soon gathering of God's chosen ones and that now was the time to yield to His preparation. Apr. '38 - We were called to go and pray for a man in a village 10 miles away. When we began praying, the Lord revealed to us that He wanted this man to live but the devil wanted him to die. At nine he died but we held on and at ten he came to life! At two he died again but we held on to God and glory - at four he lived again! On Monday at eleven he passed away again - at twelve he was quickened once more and for good! Feb. '41 - Just today a man was carried in who had been bitten by a very poisonous snake, but God marvelously undertook and he walked away. Sept. '41 - Bukuria - We are still praising God, though the enemy has opposed us ever since we came here. First of all, Theresa came down with black-water fever and typhoid, then I had four attacks of malaria. I had another disease with it and was near death's door when they prayed through for me and I was made every whit whole. Then this noon a cyclone hit the church and ripped off half the roof! But we've had several marvelous conversions. Nov. '41 - The enemy certainly does not want Bro. Dodzweit here. First his landing permit was held up, then we had car trouble trying to see the government officials in Kisumu to put down his entry bond. The devil has done many things to hinder but

Hallelujah, he has not punctured our lungs yet or broken the springs in our legs! Last Sunday a woman brought her baby who was very sick to be prayed for and he was healed immediately! May '42 - Well glory! These past two weeks have been hectic! First there was sickness throughout the assembly, then thieves broke in and stole two trunks and two suitcases of clothes, smashing things up in general. This happened on a night when we had a marvelous tarrying meeting. Then sickness again until now there is not a village in Watende without sickness. Then our family got sick, and on top of that an unexpected bill came. But Jesus is Victor, praise His Name! Oct. '42 - We are still pressing the battle and shouting Hallelujah! We are pushing the devil hard and he us these days, but we have no doubt who will win. We now have 110 in Sunday School and 55 in school. We have lost many of our young men to the Army or we would have many more. Though old *Bisambo* (Devil) is fighting hard to

defeat, the Father is still healing folks. A little boy was stricken with infantile paralysis and the hospital could do nothing to help him. While visiting, I prayed for the little chap and now he attends Sunday School and is perfectly whole. Hallelujah! Jan. '43 - As we cabled, I was attacked by a national who had been smoking hemp and was completely crazy. He first came at me with a club, then with a spear and struck me three times in the right hand, practically severing my index finger. It was so mangled that it had to come off and now I'm learning to write with four fingers. Gangrene had set in before it was amputated but praise God I only lost the finger. I had tried my best to appease the chap and twice went out of the house to quiet him down, but he kept coming at me. It was an awful battle and shook my faith to the depths. I still can't understand why Father didn't heal my finger. Apr. '43 - We are both badly in need of a furlough, in fact the government Medical Officer has ordered Theresa out, but she can stay at her own risk; and me, well, I'm all nerves and for the sake of the work here a new worker should take over. Everything is progressing steadily, fine meetings. This month we are in a visiting campaign of every village and every hut, with good results. Aug. '43 - Reports from our seven bush churches are encouraging. A government official was just here and was very pleased with the work. He said he had seen great advancement since his last trip here two years ago. Sept. '43 - We had a grand baptismal service with over 400 attending, and baptized our first Watendes. There were nine of them. The government approved six of our bush church buildings but turned down our request to build another five saying we are going too fast! Jan. '44 - The last Sunday in every month all the bush churches and Sunday Schools come in for meetings here on the station. We are having wonderful times. Our bush church pastors preach and I serve communion. A pastor also leads the singing. The church is always more than packed, with many women in attendance. Sept. '44 - You will be glad to hear that the Lord is moving among the Luo people whose boundary is four miles from here. The Chief told me he wanted many, many churches and also asked when we were going to start a girl's boarding school. They have many to send. It certainly was encouraging to listen to him, after our battle here. Our Watende Chief seems hard against Christianity and doesn't encourage his people or children. Feb. '45 - Praise the Lord, Bro Sickler has arrived. He came just before Christmas. We love him and feel sure he will fit well into the work here. And the fellowship? It is beyond words!"

In the June '45 Herald, there was printed a letter from Arthur Dodzweit which said that Bro. Hill was on the verge of black water fever again and in desperate need of a furlough. This was followed by a cable from the Hills declaring their expectation to sail in July. Brothers Dodzweit and Sickler were able to carry on the work with the assistance of their wives who were then enroute to Kenya.

God is at work in Latin America. Many are coming to Christ through varied avenues. Three Latin American missionaries and their work are featured on these pages. Sixto and Ruth Lopez are involved in an extensive radio ministry in Bogota, Colombia. "The radio ministry is very effective here in Colombia, so many are saved and blessed through the Word." They have also opened a downtown office for counselling and teaching, including a Dial-a-Message telephone service. At a recent convention in Bogota, several found healing in the Name of Jesus.

George and Virginia Barney are working among villages near Matehuala, Mexico. The Holy Spirit is blessing their involvement in village evangelism and teaching. "Five Mexicans have indicated they feel called of the Lord. One of these said he had two burros he would have to sell and some corn to gather and then he would be ready to go wherever the Lord would have him go. On the way home that day he sold his burros and is home now harvesting his corn preparing to move out for the Lord."

John and Eleanor Barstow of Haiti are deeply involved in ministry there teaching and evangelizing. They have recently returned to establish a new work in a remote area. There is a great mixture of religions in this area and one church is called "The Pentecostal Methodist National Cathedral of Erzeduelie!"

THE MINISTRY OF LIFE & PRAISE

Life and Praise Tabernacle is a body of believers where worship in Spirit and Truth is manifest. Where the present day emphasis of the Holy Spirit renewal is encouraged, not only in the Charismatic sense as is known among the Denominational Churches, but also a Renewal as it is needed in the Classic Pentecostal Churches. We are a Fellowship with a Worldwide vision for the outreach of effective service for all of God's people in all nations.
